

**Position:** Review Site Assessment, Designs, and Bills of Quantities for the Renovation of Health Facilities.

**Employer:** World Bank in Cambodia Office

The World Bank Cambodia Country Office is seeking to hire Short Term Consultant to support the reviewing site assessment, designs, and bills of quantities for renovation of Health Facilities in the health sector for the Cambodia Health Equity and Quality Improvement Project Phase 2 (H-EQIP II).

The primary objective of this assignment is to assist the World Bank's Health, Nutrition, and Population (HNP) team on (1) Verify that site assessments, designs, and BoQs are complete, accurate, and coordinated across all disciplines; (2) Ensure designs meet functional requirements for healthcare delivery, patient/user flows, infection prevention and control, occupational health and safety, universal accessibility, and fire/life safety including structural adequacy for the proposed renovation; (3) Validate quantities, specifications, and cost estimates for accuracy and market realism; identify gaps or redundancies; (4) Recommend cost-effective design optimizations and risk mitigation measures, including for climate/disaster resilience and energy efficiency; and (5) Provide clear, prioritized comments and recommendations for approval/revision status for each package as required.

As per World Bank Short Term Consultant guidelines the contract will have a maximum of 70 days between February 15, 2026, and June 15, 2026. The possibility of an extension will depend on project needs and performance. A complete Terms of Reference can be found at this link:
